GO-TO-CHURCH-SUNDAY SERVICES AT THE TABERNACLE

Known as dean or bishop of the traveling men of the West and a drummer for 26 years in active service on the road, 26 years of which have been spent in the territory between Denver and the Pacific Coast, E. S. Hooper of Denver will speak in the Tabernacle on Sunday afternoon on the subject "Honor Thy Father and Thy Mother."

E. S. HOOPER.

The Rev. Dr. Francis Burgette Short, formerly Pastor of First Methodist Church, Salt Lake City, now of Spokane, in speaking of the salesman-

"Mr. Hooper is one of the best known traveling men in the United States, and has spoken in my pulpit both in Salt Lake City and Spokane, at which times he did himself proud, his family honor, and his profession great credit. He has a strong message on the subject 'Honor Thy Father and Thy Mother,' which will take his older hearers back to their childhood days."

Rev. Dr. Robert J. Burdette, Pastor Emeritus of the Great Temple Baptist Church of Los Angeles, of national fame, says: "Have listened to Mr. E. S. Hooper of Denver on more than one occasion and take sincere pleasure in recommending him. He possesses an excellent platform voice, strong, pleasant and well modulated. Has a good presence and an excellent address."

As all church denominations are making a special feature of to-morrow being a "Go-to-Church Sunday," Mr. Hooper should be assured of a congregation which will tax the Tabernacle to the limit. He has been coming to Ogden on regular business trips several times a year for 26 years.

MISSIONARIES ARE LEAVING MEXICO

New York, April 25.—Fears for the safety of its missionaries in Mexico were relieved today by a cablegram from Vera Cruz, received at the headquarters of the Methodist-Episcopal board of foreign missions.

According to this, seven of the thirty missionaries have arrived in Vera Cruz and all the others are safe in Mexico City, Puebla and Guajuato.

AMERICANS ARE HELD IN MEXICO CITY.
Vera Cruz, April 24.—Only a few American refugees arrived here on the train that brought Nelson O'Shaughnessy, the American charge d'affaires. Several who had boarded the train were removed by the authorities in Mexico City and held in the capital for their own "protection."

Among the Americans prevented from boarding Mr. O'Shaughnessy's special train were Burton Wilson, J. L. Starr and Hunt Lawlers, well known in the capital and somewhat known in New York.

Those who arrived here tonight have but a vague idea of the exact number of Americans detained in the capital, but it is known that a great many were at the station to take the train, which they had good reason to believe would be the last to leave for Vera Cruz. Mr. O'Shaughnessy brought with him his automobile and his Mexican chauffeur, upon whose cap was restored the red, white and blue insignia, which three days ago in the capital had been removed because of the anti-

American manifestations against anything pertaining to the United States. Newspapers of the capital continue to print vicious tirades against Americans and mob violence continues active. The plight of Americans in the capital is reported to be more alarming.

MONEY RATES

New York, April 25.—The securities market was upset this week by the outbreak of hostilities with Mexico, which overshadowed everything else in shaping sentiment. The decline which began a fortnight ago was accelerated and at times stocks were under heavy pressure. Many low records for the year were made. Nevertheless the market received fairly good support and there was little evidence of nervousness.

The foreign markets, in fact, were more unsettled than the home exchange, owing perhaps, to the heavy holdings of Mexican securities in Europe.

Weather conditions were favorable to crops. Other domestic factors, however, were bearish. There were evidences of further contraction in

Steam Heat, Electric Lights, Baths Hot and Cold Water in all rooms. Reduced rates by week or month. Rooms 75c, \$1.00, \$1.50. The only fireproof hotel in the city.

SOCIETY

GUEST OF MRS. BIDDLE LEAVES
Mrs. W. L. Bojorques has returned to her home in San Francisco, having spent the past few months with her parents, Mr. and Mrs. J. T. Biddle of this city.

The many friends and pupils of Mrs. Bojorques regret her departure from Ogden, she having held a very prominent place in musical circles of this city, having been a teacher of the piano for a number of years.

FIRST WARD BAZAAR.

The ladies of the First Ward contemplate holding a bazaar during the first week of May for the benefit of the new meeting house which is to be built on the corner of Grant and 33rd street.

The ladies have been very busy for several weeks preparing a line of ready made summer clothing, especially for children, which will attract the busy mothers who have little time for sewing. In fact, each booth will be well supplied with both useful and ornamental articles worthy of inspection.

The cafe department, wherein all those delicious home-made things like mother used to make, may be obtained will no doubt be the main feature.

The bazaar will be held in the new Stephens block on Washington avenue near 26th street where it will be convenient to the general public and the ladies will undoubtedly receive the hearty support they desire.

B. Y. COLLEGE DRAMATIC CLUB.
Wednesday evening at the Orpheum theatre the Brigham Young College Dramatic club presented a rare treat in "All-of-a-Sudden Peggy" though only a small audience was present.

The production was staged under the direction of W. O. Robinson and as a special opening act, the director appeared with Miss Laura Poulsen, in the tabloid operetta "Isle D'Amour." This act was presented in the city several years by Orpheum stars and though the work of Mr. Robinson and Miss Poulsen must be criticized from a professional standpoint, they lost in only one feature, in a comparison with the players in the former presentation. That feature was Mr. Robinson's voice, which is not of a very pleasing quality, though he knows how to use it well. Miss Poulsen possesses a most likeable soprano voice, which was fully equal to the demands of the part she played and the dancing of both was encores again and again. They sang and acted out four songs in a most charming way.

The main production of the evening was in the first place excellently cast and well staged. As Peggy, Lydia Hansen won instant favor and kept it throughout the evening. In appearance she was the irrepressible Irish girl to the life and she interpreted her role with a sweet ignorance and a fine show of temper when that was necessary. She had an excellent foil in Guy Poulsen as Jimmy Kempel. Mr. Poulsen's expression was especially good, though his voice would need building up, should he follow the profession. Miss Laura Poulsen essayed the role of the proud Lady Crakenhorpe in a capable manner and the work of Leora Thatcher as Mrs. O'Mara, for an amateur, was almost above criticism. Her Irish brogue was most naturally spoken and her expression equally good.

The character role of Major Phipps was well sustained by J. M. Cunningham. The minor roles were capably handled by Mry Daines, Lohair Allred, Bern Howells, Willard Jensen and Luella Anderson. Last but not least, J. M. Cunningham proved himself an excellent actor in the role of Anthony, Lord Crakenhorpe.

Past Grand Mrs. Canigato, and Delegates Mesdames Enright and Ferrel of No. 15 Rebecca lodge and Grand lodge officers, Mrs. Lundy and Mrs. Greene. The above were all old friends of Mr. and Mrs. Evans and spent a most pleasant visit in the city.
